

McKinnon Materials' Natural Stone and Epoxy makes any home beautiful inside or out while enhancing its value. Natural Stone and Epoxy is easy to maintain and clean. Available in a variety of colors and sizes, Natural Stone and Epoxy allows a custom match to any home décor.

Natural Stone and Epoxy gives this Harley Davidson store a rustic, outdoors feel.

Standing water is eliminated because Natural Stone and Epoxy is porous allowing water to drain through making it a perfect solution for pools decks, sidewalks, drive ways, balconies or patios. Natural Stone and Epoxy is durable in all weather types from the sub-zero to tropical and is designed to bear heavy loads including automobile traffic.
